

## FAASteam CFI Workshop Module #2

This is Workshop Module # 2 in a series of 8 modules. This Module will cover information about Technically Advanced Aircraft and GPS Navigation.

NOTE: This is the Clinic series that has been at Ray Airport. The location has been changed to Oakland Troy airport.

**Directions:** Troy Air Experience is in the hanger which is North of the Terminal Building. Turn left before entering the terminal parking lot. Follow the fence to the parking area behind the hangar. Entrance is on the North side of the hangar.

### A message from the National FFASTeam Manager

WINGS – The better way to meet your Flight Review requirement!

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
